Lifetime Guarantee

Our products are designed for use in a commercial environment. By combining traditional woodworking with modern fixings, our furniture is engineered to last, that's why almost all of our furniture comes with a lifetime guarantee. Excludes baskets, tubs, trays and other consumable items.

Fully Factory Assembled

The vast majority of our furniture products are delivered fully factory assembled to save you hassle and time. Products that cannot be delivered fully assembled, require simple self-assembly, using one of the Allen keys provided.

Flexibility

There is no complicated or expensive method of joining our furniture, units simply butt together, providing the flexibility to quickly and easily reconfigure rooms and create safe free-flow environments.

Easy Access

To create an enabling environment that supports independence all items in the range are designed to be easily accessible by children.

Easy Cleaning

At Millhouse we use premium-grade maple melamine for the majority of our products. This provides a hard-wearing, scratch-resistant and easy-clean surface. We also apply a water-based lacquer to seal and protect the furniture from water ingress.
